Re: *Weiss Haus v. Port Authority Of New York And New Jersey*
1:21-cv-02062-ENV-SJB

Dear Judge Vitaliano:

This firm represents the plaintiff, Yoel Weiss Haus. We write proposing the following briefing schedule for summary judgment, with agreement and consent from Defendant.

The parties' motion for summary judgment due by March 1, 2024. Opposition due by April 1, 2024. Reply, if any, due by April 15, 2024.

Plaintiff had proposed earlier dates, but counsel for Defendant is scheduled to be engaged with trial in the month of February, hence Plaintiff consented to foregoing dates.

Wherefore, plaintiff requests adopting the foregoing schedule and waiving the need for a pre-motion conference.

Respectfully submitted,

/ s / Levi Huebner
